

Department of Human Services

Radiation Act 2005

Management Licence

Licence Holder: Steritech Pty Ltd
Licence Number: 300042934
Expiry Date: 24/8/2010

This licence lists the ionising radiation apparatus, non-ionising radiation apparatus, sealed sources and sealed source apparatus that have been notified to the Department of Human Services as being in the possession of the licence holder.

Note: Management licences may have as many as eight Schedules. However, your licence will only include those Schedules that are relevant to the radiation practice.
